-
- 26 Nov 2016 - Anita's paper on Trojan approach against HIV is published in *Human Gene Therapy*.
 - 10 Nov 2016 - Rafael gives a lecture at the Oxford Global 2nd Genome Editing Congress.
 - 21 Jul 2016 - Ngoc's chapter on striatal delivery of lentiviral vectors is published in *Methods in Molecular Biology*.
 - 02 Jul 2016 - Rafael speaks at the Ataxia Telangiectasia Society family week-end 2016.
 - 08 Jun 2016 - Rafael writes blog on new research on mitochondrial donation for the British Society for Gene and Cell Therapy.
 - 24 May 2016 - Rafael gives a seminar at the Institute of Child Health, University College London.
 - 07 May 2016 - Rafael completes 71-mile Ride Scorpion cycle for The SMA Trust, raising £2,700. Thank you! Watch our video.
 - 26 Apr 2016 - Rafael participates in debate on *Genome Editing Technology - The Ethical and Regulatory Viewpoint* at BioTrinity.
 - 25 Apr 2016 - Interested in a career in science? Read Spinal Muscular Atrophy Support UK's Q&A interview with Rafael.
 - 29 Feb 2016 - We run our 6th Rare Disease Day @ Royal Holloway event, hosting 100 school students. Watch our video.
 - 14 Jan 2016 - Versha's and Marc's review paper on *Genome Editing* for monogenic diseases is published in *Molecular Therapy*.
 - 01 Jan 2016 - The SMA Trust-funded UK SMA Research Consortium, for collaborative work on Spinal muscular atrophy, kicks-off.
