

Advanced Gene and Cell Therapy *laboratory* (AGCTlab) Royal Holloway, University of London

Prof Rafael J. Yáñez-Muñoz
Professor of Advanced Therapy
 Advanced Gene and Cell Therapy *laboratory*
 Director, Centre of Gene and Cell Therapy
 Director of Planning and Resources
 Department of Biological Sciences
 Royal Holloway, University of London
 Egham, Surrey TW20 0EX, UK
 Tel: +44(0) 1784 443180
 E-mail: rafael.yanez@royalholloway.ac.uk

- 17 Dec 2018 - Rafael is appointed Chair of Trustees of the Genetic Alliance UK.
- 29 Nov 2018 - Versha attends at the Ataxia-Telangiectasia Clinical Research Conference 2018 in Naples.
- 23 Nov 2018 - Versha (session Chair) and Rafael attend at the British Society for Gene and Cell Therapy Autumn Conference.
- 27 Sep 2018 - Launch Meeting of the Royal Holloway Centre of Gene and Cell Therapy, with Rafael as founding Director.
- 25 Sep 2018 - Rafael attends at the Genetic Alliance UK Annual Meeting and AGM.
- 07 Sep 2018 - Rafael attends at 20th Annual Spinal Research Network Meeting in London.
- 12 Jul 2018 - Rafael is the orator at the induction of Mr Iain Ross as an Honorary Fellow of Royal Holloway.
- 09 Jul 2018 - Rafael attends House of Commons reception in support of European Reference Networks for Rare Diseases.
- 08 Jul 2018 - Our project on CRISPR Genome editing for Ataxia telangiectasia is showcased in BBC Radio 4 Appeal.
- 07 Jul 2018 - Pradeep has successful PhD viva on Myostatin blocking antibodies in neuromuscular disease at Royal Holloway.
- 05 Jul 2018 - Our AGCTlab.org joins the UK MDEX Consortium, to develop therapies for neuromuscular diseases.
- 05 Jul 2018 - Rafael lectures at the Spinal Research and Wings for Life Spinal Cord Injury and Neurotrauma Summer School.
- 01 Jul 2018 - Rafael publishes editorial on CAR-T in the clinic: drive with care in CAR-T cells special issue of Gene Therapy.
- 14 Jun 2018 - Rafael attends at Cure SMA Research Meeting 2018: see his Twitter Moment conference summary.
- 29 May 2018 - Hayder and Céline publish paper on Genome editing in primary immunodeficiency in Scientific Reports.
- 23 May 2018 - Jamuna receives Poster Prize at the Advances in Cell and Tissue Culture Conference 2018, Cardiff.
- 27 Apr 2018 - Rafael chairs session on Safety and novel vector design at the BSGCT Spring Conference 2018 in London.
- 21 Mar 2018 - Rafael gives lecture on Genome editing at the ESGCT/BSGCT Spring School in Oxford.
- 14 Mar 2018 - Marc has successful PhD viva on Duchenne muscular dystrophy genome editing at Royal Holloway.
- 06 Mar 2018 - Jamuna, Ellie and Rafael attend at the annual meeting of their UK SMA Research Consortium in Sheffield.
- 27 Feb 2018 - Rafael gives outreach Masterclass on Gene Therapy at Upton Court Grammar School, Slough.
- 26 Feb 2018 - 8th Rare Disease Day event at Royal Holloway, our most successful yet.
- 07 Feb 2018 - Rafael exhibits at the London Oratory School Career evening.
- 24 Jan 2018 - Jamuna gives oral presentation on Blood-brain barrier model at the Spinal Muscular Atrophy Congress, Krakow.
